## THE BREAKERS PALM BEACH

The Breakers' story is one of endurance and evolution. Considered an architectural triumph, the oceanfront resort originally debuted in 1896, then reopened twice after major fires in 1903 and 1925. Decade by decade, it played host to the glitterati and cemented the seaside glamour that is now so central to Palm Beach culture.

Today, that same sensibility remains, modernized to meet the needs of our contemporary guest. With an average of \$25 million invested annually to preserve this landmark property, amenities like four pools, 10 restaurants, an indoor-outdoor fitness facility, stunning spa and championship Ocean Course attract guests the world over—proof that The Breakers is the ultimate leisure destination.

## THE BRAZILLIAN COURT

The Brazilian Court features a charming collection of 80 studios and suites, an exclusive set of on-site amenities, including The Brazilian Court Salon and world-renowned Chef Daniel Boulud's Cafe Boulud, and resides just steps from the beach and famed shopping destination Worth Avenue. An air of Old Hollywood glamour permeates the boutique property, from the classic Spanish colonial architecture and intimate entry that smells of honeysuckle, to the secluded alcoves concealing a treasure trove of secrets and decades of stories. Established as the epicenter of Palm Beach society and the beloved "home away from home" for locals and visitors alike, The Brazilian Court brings together stunning, highstyle accommodations and impeccable service for an unforgettable experience.
