

MARGARITAVILLE
Resort
ORLANDO

WELCOME TO PARADISE! PREPARE TO
ENTER A VACATION STATE OF MIND!
DREAM BIGGER.
VACATION BETTER — RIGHT IN THE
HEART OF KISSIMMEE

Margaritaville Resort Orlando brings Jimmy Buffett's lyrics to life as an island paradise located just minutes from Walt Disney World. The resort features four main components: Margaritaville Hotel, Margaritaville Cottages, The Promenade at Sunset Walk ~ a shopping, dining and entertainment district, and Island H2O Live! Water Park.

About the Resort:

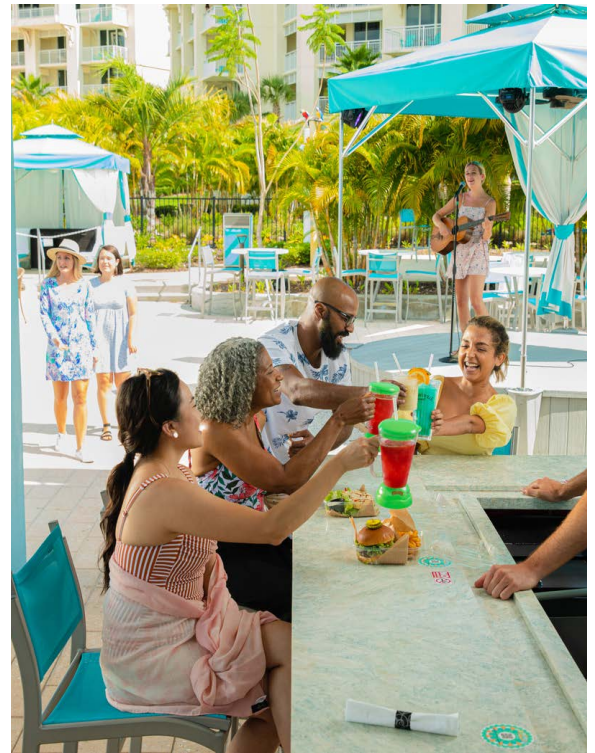

Margaritaville Resort Orlando is a 186-room premium hotel that transports guests to a vacation state of mind immediately upon arrival complete with tropical décor, setting the tone and easing the mind for a tranquil atmosphere. It's a relaxing oasis right in the heart of Kissimmee with a vibe that differs from the hustle and bustle of theme parks. Lagoon-style pools, cabanas and signature décor elements like a margarita glass chandelier made of over 300 glasses and a 13-foot flip-flop sculpture in the lobby area serve as the perfect backdrops for vacation selfies. The resort also has four restaurants including the casually elegant **Euphoria**. Enjoy an "It's 5 o'clock somewhere" massage at **St. Somewhere Spa**. The resort also features a fitness center, shuttle service to all major theme parks and multiple event spaces.

Margaritaville Cottages provide a truly unique experience as the whole family can stay under one roof and not miss out on the resort theme of a tropical paradise. Cottages range in size from cozy 1 bedrooms to as large as 8 bedrooms. There is also a leashless dog park on site for anyone bringing along their family pet!

Island H2O Live! provides a perfect mix of "chills and thrills". An award-winning water park has become known as Central Florida's most immersive water park. Open to the public, the park is driven by technology as it is the focus of guests' overall experience. Guests can plan their day via the park's app once inside the park, earning points on slides and attractions. Points allow the guest to change the theme, music and lighting on various slides. Social media is the park's theme and the epicenter of the experience.

Attractions such as Live Lagoon, Reply Racers, The Downloader, Live Streaming, and Chat Creek are just a few of the more than 20 experiences where guests are encouraged to share and connect with their friends and family in and out of the park via their social media channels.

The Promenade at Sunset Walk located at the main entrance & within easy walking distance is quickly becoming Kissimmee's newest and hottest hangout. With more than 30 options for dining, shopping and entertainment such as Rock & Brews, Studio Movie Grill, Skechers, Ford's Garage, Capone's Coal Fired Pizza, Yeoman's Cask & Lion, BurgerFi, Bento Asian Kitchen + Sushi, Gametime, Estefan Kitchen and El Jefe's Tequila Bar, there's truly something for everyone. This area also hosts recurring events like a monthly car & truck show, Sunset Live featuring live bands and weekly Classic Car Cruise-in.
